\* Comment. According to a previous report a total of 98,804 freight cars were available on 30 December 1950.

25X1A Comment. On 3 October 1950, 11,150 passenger cars, 8,633 of which serviceable, were reportedly available. The corresponding number mentioned in this report is lower by about 1,800 cars. It is also doubted whether all the cars mentioned in the present report are serviceable.
